26th January 2022

To the Honorable Consul  
Germany Embassy Manila  
6819 Ayala Ave, Makati,  
Metro Manila, Philippines

To the Honorable Consul,

We, Catherine and Christoph Kaiser would like to invite our mother (in-law) Lorenza S. Mendoza and sister (in-law) Marissa S. Mendoza to visit us here in Munich city, Germany.

I, Catherine, the daughter especially, have not seen both of them and the rest of my family since December 2019 when I moved to Germany. Also, due to the pandemic, we could not plan a visit or a vacation to the Philippines.

Moreover, we are also going to visit our in-laws in Allgäu, 1.5 hours away drive from Munich. Both Kaiser parents are excited to finally meet them in person as they could not do it themselves due to health conditions.

And although both of them (Lorenza and Marissa) have sufficient funds and have planned this visit thoughtfully and carefully, we promise to look after them, and their needs. And finally, to make sure that they will return to the mother country as promised.

We sincerely hope that you will allow and grant them a visit visa. We would be more than delighted and grateful to receive your positive response.

Have a wonderful day ahead!

Sincerely,

Catherine Kaiser

Christoph Kaiser
